

**Men's Golf Outing** – Thursday, April 18, 2024 | 1:30 PM Shotgun Start

**Location:** Combination of Vista-Mission Golf Course at Puerto Los Cabos

**Description:** Tucked within a 2,000-acre master-planned resort community on the East Cape, a short 10-minute drive from the historic downtown area of San Jose del Cabo, Puerto Los Cabos is a 27-hole golf resort, featuring three distinct courses designed by two of the sport's most legendary figures, Greg Norman and Jack Nicklaus. The AAGUS golf outing will be on a combination of the Vista-Mission courses.

The Mission Course, a 3,590-yard, par-36 signature design by Greg Norman, has over 400 feet of elevation change. With its large, flashed-faced bunkers used to signpost the fairways and defend the greens, the layout reveals Norman's fondness for Australia's classic Sandbelt courses.

The Vista Course, a 3,623-yard par-36 signature design by Jack Nicklaus, has the best views of the three courses, and the Vista Course has quickly become a Los Cabos favorite. Subtly contoured greens, large sculpted bunkers and dramatic elevation are the highlights of the course.

Amazingly, all of the 27 holes at Puerto Los Cabos offer expansive panoramic views of the coastline and Sea of Cortez.
